PRAYERS OF THE SOCIETY.

BEFORE THEIR COMMENCEMENT.

FATHER, we O Lord, in thy most precious favour; and
faithful to thee. Thy commandments which we have begun, continued,
and ended in thee. Thy holy name, and finally, by Thy mercy
obtain everlasting life through Jesus Christ our Lord. Amen.

O God, from whom all life derives, all grace proceeds, and all works of piety
and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign
Lady Queen Victoria, and so rule her heart, that she may in all things seek
Thy honour and glory. Preserve Thy blessing the welfare of this Society.
Comfort with Thy grace those benefactors who contribute to its support.
Bless the ministry of thy servants; the thought, the endeavours of all who are
engaged in spreading the knowledge of true religion in the dominions of our
Sovereign, and the labours of those missionaries who are promoting the same
in this Province. And may Thy Holy Spirit direct all our consultations to
the advancement of Thy glory, and the good of Thy Church, through Jesus
Christ our Lord.—Amen.

O MERCIFUL God, who hast made all men, and hasten nothing that Thou
hast made, nor wouldst the death of a sinner, but that he should be converted
and live: Have mercy upon all Jews, Turks, and Infidels, and take
from them all ignorance, hardness of heart, and contempt of thy word; and so
fetch them home, blessed Lord, to Thy flock, that they may be saved among
the remnant of the true Israelites, and be made one fold under one Shepherd,
Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy
Spirit, one God, world without end.—Amen.

OUR FATHER, which art in Heaven, hallowed be Thy name. Thy Kingdom
come. Thy will be done in earth, as it is in Heaven. Give us this day our
daily bread. And forgive us our trespases, as we forgive them that trespass
against us. Lead us not into temptation, but deliver us from evil; For
Thine is the kingdom, and the power, and the glory, for ever and ever.—Amen.

WHEN THE BUSINESS IS ENDED.

THE SPIRIT of our Lord Jesus Christ, and the love of God, and the fellowship
of the Holy Ghost, be with us all evermore.—Amen.

REPORT.

A few general remarks are naturally suggested in submitting the Annual Report of the Society. First of all, we can scarcely fail to give expression to feelings of gratitude to the Giver of all good for His continued blessing on our unprofitable endeavours. The high and holy objects which our Society seeks to gain, seem now prominently before us. Our failures, our difficulties, and our hopes make us to turn away from unassisted human efforts to that Almighty aid, for which we have good reason to ask, and which we may trust will not be denied.

Zealous members of this Society may at times be dispirited when its means of usefulness do not more speedily increase, and success does not become more evidently manifest. But is this really to be expected when we take into account all the circumstances by which the Society is surrounded, and the difficulties it has to encounter? And has not experience always taught that slow and gradual progress forms the best assurance of ultimate success? If the funds of the Society have not rapidly increased, the Treasurer has always been prepared to meet its demands, and for many seasons past the General Committee have been able to exceed the appropriations of the preceding years. With generous contributions from various parts of the Diocese, we are assured of an increasing confidence and continued exertion in behalf of the Society. Its two chief requirements become every year more unquestioned by the well-instructed Churchman, viz.: that a portion of what God has given should by each one be laid apart for "the furtherance of the Gospel," and that all, as far as possible, should take counsel and act together for that holy object. Had the Society only effected this, and in other respects have seemed to fail, we should not have laboured in vain. Churchmen have been aroused from a most dangerous lethargy by its appeals. Each year it has recalled the Gospel precept, "freely ye have received, freely give." With the Apostle it has protested against covetousness. Let no man seek his own, but every man another's wealth. By its annual assemblies, and call to united action it would strike at the root of that disunion and mistrust among brethren, which the Gospel so expressly forbids.

Meanwhile each year the Society goes on its quiet course. Missionaries are supported, Churches are built, the Word of God, works of piety and instruction are circulated, the widow and the fatherless are assisted. Surely in this we are doing our blessed Redeemer's will, and carrying out the charge he gave to all believers when his work on earth was done. And who is unwilling to believe that he has afforded us his blessing? By this instrumentality, however imperfect, some we may safely hope, have been instructed and confirmed in the faith; some "turned from the power of Satan unto God." It is truly a great comfort to be called to labour where we are thus assured of a blessing from above. This is enough to stimulate us to exertion, to cheer us in acts of self-denial, and to enable us to surmount the difficulties which we have reason to anticipate.

In accordance with a Resolution passed by the Society in February, 1852, a table has been prepared from the returns of Churches, kindly furnished by the Clergy, shewing the dimensions, amount of accommodation and date of the erection of all the Churches and Chapels in the Diocese. This document, it is hoped, will afford interesting and useful information.

The Society will be gratified to learn that on the departure of His Excellency Sir Edmund Walker Head to assume the high office of Governor General of Canada, and on the arrival of his successor, the Honourable J. H. T. Manners Sutton, His Excellency was pleased to approve of the objects of this Society, to contribute the same amount as his predecessor had done and to intimate to His Lordship the President, his readiness to accept the office of Patron to the Society.

The following is a brief abstract of the Reports of the various Local Committees:

ST. ANDREWS AND CAMPOBELLO.—Rev. J. Alley, D. D., has much pleasure in reporting a continued favourable feeling towards the Society. "At Chamcook," he writes, "I had two Collections which I now remit, and with respect to that place, I am gratified in reporting an attentive and increasing congregation, and a prosperous Sunday School. I hope the Society will make that Chapel a separate grant of books for their Sunday School, as well as Bibles and Prayer Books for distribution. I visited Campobello and officiated there on the 17th December. The congregation is numerous and attentive and their Sunday School well attended. The communications on that day were few. It is quite unnecessary, I should think, to press the importance of this Parish upon the notice of the Society, which will, I am convinced, do all in their power to foster and encourage the good Church feeling already existing on this Island. The new Church is now in a forward state towards completion, and will, I hope, be ready for consecration next Summer. I beg leave to recommend this Church to the Society for aid, and to ask for the usual grant of books for St. Andrews." Contributions are £20 3 1; 1st Collection, £2 18 5;

2d do. \$3 9 3. Collection at Chamcock Chapel, £2 13 10; Total, £29 4 7; and from Campobello, \$10 7 8.

LANCASTER.—This Committee met on the 8th inst. The Rev. Geo. Bedell, Rector, in the Chair.

A resolution was passed expressing their regret at the removal, by death, of their late Rector, the Rev. T. W. Robertson, from the sphere of his zealous and untiring labours.

The additions to St. Ann's Church, Musquash, toward which the Society has contributed, are immediately to be proceeded with, and further aid is solicited. In order that the Society may in time be relieved from its contribution to the support of its Missionary, the Rector has promised to give \$25 towards the contemplated work, provided the Parishioners make up \$50 towards his stipend.

A Sunday School is shortly to be commenced at Musquash, and books are asked for, suitable for children, as well as an appropriation in aid of a Parochial Reading Library.

A lively interest in the success and welfare of the Society is evinced by the increased amount of contributions.

The Rector is much encouraged in his work, by the full attendance on the Services and the devout attention manifested in the house of God. Many of the parishioners walk more than three miles to be present at the Services and during the past Summer, several walked seven miles to the Church.

The Committee desire to express their confidence in the Lord Bishop of the Diocese, and they trust that his unremitting labours in the field of which he has the spiritual oversight may be rewarded by the consciousness that the people are growing in grace and in the knowledge of their Lord and Saviour Jesus Christ. The Contributions are in all \$28 4 6.

CHATHAM.—Rev. Samuel Bacon writes that the following resolutions were passed at a meeting of this Local Committee held in St. Mary's Chapel on the festival of St. Thomas.

1. That this Committee continue to take the deepest interest in the prosperity of the Diocesan Church Society, possessing that no better institution could be devised for promoting true religion, and possessing the strongest claims to the united prayers and zealous co-operation of all faithful members of the Church.

2. That this Committee regret that their Contributions do not amount to so much as they fondly anticipated, which must alone be attributed to the almost unprecedented pressure of the time.

3. That this Committee return their warmest thanks for the liberal grants of books, which have proved an invaluable acquisition to our Sunday School Library, and are duly appreciated by every one connected with this institution. They trust the same liberality will be extended to them in the next appropriations. Contributions reported, £14 9 9; 1st Collection, £2 17 6; 2d do. \$4 5 0; Total, £21 13 5, for General Purposes.

KINGSLEAZ.—Rev. J. Black reports Contributions, £6 1 10; 1st Collection £1 8 3; 2d do. £1 4 5; Total, £20 12 6, for General Purposes.

SPRINGFIELD.—Rev. G. P. Ellis writes that the contributions from this Committee will not exceed those of the past year, owing to the need of repairs on the Parsonage, for which assistance is asked from the Society. The congregation at each of his stations is good; the average number of communicants at the Parish Church is thirty five. Assistance is asked towards the completion of the Church at the Irish Settlement, which is already enclosed, but which the people are unable to finish.

The following Resolution was unanimously passed at a Meeting of the Springfield Local Committee, on the 1st of January, 1856.

That the thanks of this Committee are justly due, and are hereby tendered to the Diocesan Church Society, for the liberal grants to the Missionary and to the Library, and we further pray that the same may be continued.

GREENWICH AND PETERSVILLE.—In the absence of the Rev. J. Bartholomew, W. B. M'Keel, Esq., Church Warden, has enclosed £11 8 1, as the amount of Contributions from Greenwich, which he regrets do not equal the return of last year. Additional subscriptions are however anticipated. "The Local Committee," he writes, "feel themselves under renewed obligations to this Society for the very liberal support it has given to this Mission, and ask for its continuance, and earnestly pray that under the Divine blessing this Society may encre and inc. e increase."

The Rev. J. Bartholomew writes from London that he was unable, previous to his departing from the Mission, to complete the return. He can only report the amount of the public Collection in Petersville, which was £29 9; and he regrets that the interests of the Society may have suffered from his temporary absence from the Diocese.

WESTMORLAND.—Rev. D. M. Bliss reports Contributions, £11 5; 1st Collection, £1 2d do. 16s 4; Sale of books, 7s 9d; Total, £18 7 9.

MOXTON.—Rev. W. N. Boyer reports Subscriptions, £9; Collection, £1 8; and states that the people are endeavouring to erect a Parsonage, which hinders them from contributing more, however well disposed towards the Society, which has dealt liberally to this Parish. The Church, he says, still continues to prosper, and the congregation is very kind to himself.

ST. JOHN, TRINITY.—William P. Dole, Esq., Secretary to the Local Committee, reports Contributions, £89 15; and a Collection of £10 0 0 of which £10 is limited to the Widows and Orphans' Fund.

ST. MARK'S.—Mr. C. H. Fairweather, Secretary of this Committee, reports Subscriptions, £41 2 6; and a Collection, £10 6.

This amount exhibits a falling off from that of last year, which may be accounted for by the demands upon the members of the Church in this Parish for local purposes, and the depression in every branch of trade and industry existing at the present time.

ST. JAMES.—H. W. Frith, Esq., Secretary of this Committee, reports for the Widows and Orphans' Fund, £7 14; being the proceeds of twelve shares of Water Company Stock, given for that object to the Society by Miss Thomason, of the City of Saint John; (a further dividend, amounting to £1 16, having since been paid to the Secretary of the Society); and Subscriptions, £25 17 1; 1st Collection, £5 3; 2d do. £3 14; making in all, £30 4 1.

FREDERICTOWN.—This Committee met on the 22d December, when the following resolution was unanimously passed.

That this Committee, satisfied more than ever, that the importation of books from the Catalogue of the Society for Promoting Christian Knowledge for sale and distribution, is productive of much good, and leads many to take a lively interest in the Society, do earnestly recommend that this most important part of the Society's operations may be extended as far as possible.

Contributions are £136 10 9; 1st Collection, in the Cathedral, £21 6 4; 2d do. £19 17 9; 1st Collection in Christ Church, £4 10 3; 2d do. £4 18 6; Total, £196 18 8, for General Purposes.

NEW MARTINEAU.—The members of the Church in this place are happy in being able to contribute a little more than they did last year. The Subscriptions are £4 5 9; 1st Collection, 16s 7d; 2d do. £1 17 6; in full for General Purposes, £7 0 1.

GRAND MARAS.—Rev. G. T. Carey regrets that with all his endeavours he has been able only to collect £8 10, owing to the season having been unfavourable for the fishermen. He trusts he may succeed in obtaining something more before the accounts for the year are closed. He solicits a small grant to assist in repairing the Parsonage House.

GAGETOWN.—Rev. N. A. Coster reports for Missionary visits, 10s.; General Purposes, £12 5; 1st Collection, £1 19 9; 2d do. 18s. 6d.; Total, £16 18 6.

CANADIAN.—Rev. F. Coster encloses returns as follows:—viz.: Subscriptions, £16 8 6; 1st Collection, £8 10 6; 2d do. £3 4 8; Total, £28 19 0.

SAKVILLE AND DORCHESTER.—Rev. T. N. DeWolf has forwarded £22 12 7 from this Mission. Sackville, £10 7 4; 1st Collection, £1 2d do. £1 1 7; Dorchester, £7 8 9; 1st Collection, £1 5 6; 2d do. £1 6 4.

SPRING.—Rev. J. Diskroy writes that at a meeting of this Committee on the 26th December he was desired to express their thanks to the Society for the various grants to this Parish, and trust they will continue to be remembered. The Contributions are £2 7 9; 1st Collection, 17s. 3d.; 2d. do. 12s. 6d.; Total, £2 15 6.

UPPER.—Rev. W. H. De Veler writes that the report from this Mission is unavoidably delayed, but that the Contributions will equal those of the past year. They amount in all to about £20.

PRINCE WILLIAM AND DUMFRIES.—Rev. S. Hwall has reported £7 12 8 as the Contributions from this Mission.

HOWARD SETTLEMENT, QUEBEC.—Rev. J. Hartin is happy to say that the Contributions exceed those of last year, amounting in all to £11 8 8 for General Purposes. I desire, he writes, to express my unfeigned gratitude to the Society for the grant of £24 in support of this Mission, and also for the grant of books, from which I have reason to hope much good will result, and do earnestly request that those grants may be renewed by the General Committee. I still continue, he adds, my visits as Missionary to the labourers on the Saint Andrews and Quebec Railroad. The books and tracts granted by the Lord Bishop for gratuitous distribution, were gratefully received, and found exceedingly useful. He solicits further aid towards this benevolent object.

ANDOVER, GRAND FALLS, &c.—Rev. S. J. Hamford thanks the Society for the last year's grant of books to his Mission. He can testify that such appropriations are very acceptable as well as most useful in our country Parishes, where access to good and profitable books is exceedingly limited. "I shall be glad therefore," he writes, "if the funds of the Society will admit of it, to receive a further grant to the Libraries at the two Churches at Tobique and Rivier des Chutes, in the lower portion of this Mission. I am thankful to report that the Collections a little exceed those of the past year, although there has been a great falling off in business generally and the people are not so able to give as they were during the two past years." Contributions are as follows, Widows and Orphans' Fund, £5; Subscriptions, £13 2 8; 1st Collection, £2 13 2; 2d do. £1 13 8; Sale of books, 5s. 8d.; for General Purposes, £17 13 8; Total, £39 18 6.

FORBESLAND.—Rev. W. Harrison reports Subscriptions £11 10; 1st Collection, £2 17 0; 2d do. £3 2 0; Total for General Purposes, £17 10.

RESTIGOUCHE, GLENELG, NELSON AND THE SETTLEMENTS IN THE SOVEREIGN MOUNTAINS.—Rev. J. Hudson, Visiting Missionary, reports that the Glenelg Committee met on New Year's Day, and a resolution was unanimously passed, heartily recommending the Diocesan Church Society to the continued favour of all their fellow Churchmen. A resolution was also passed at a similar Meeting held in Nelson on the 8th inst., expressing the people's devout thankfulness to Almighty God for the prosperity of the Society during the past year.

The Missionary paid a visit to Restigouche in August last, by permission of his Diocesan. During his brief sojourn in that part of the Province, still nearly destitute of Church offices, he had the pleasure of frequently celebrating Divine Service for very little flocks of Churchmen at Dalhousie, Flatland and Bel River; but in Campbellton he could only officiate once. At the two former places, he also celebrated the Holy Communion and baptized a few children in a poor settlement, on the top of one of the "Strong Mountains," along the base of which the river winds its course, and till then untraced by the foot of any messenger of peace.

It was not possible to leave those few and scattered sheep without first praying God to send them a Pastor after His own heart, full of knowledge,

compassion and zeal; that pitying their sad condition he may instruct them in the ways of truth and eternal life. The Missionary's services were kindly received by the people, and whenever he went he was met with a welcome far beyond his expectation and desire. The Contributions from his various stations amount in all to £86 16.

SHEDDIE.—Rev. G. B. Jarvis, D. D., reports Contributions to the Widows and Orphans' Fund, 2s; Subscriptions, 27 s; 1st Collection, £1 16s; 2d do. 16s; General Purposes, £11 5; Total, £11 16s. Included in this amount is £1 5, contributed by the labourers at the Railway works, in the Lay Reader stationed at Sheddie, who has much pleasure in bearing witness to the readiness of the workmen to subscribe to the Society. The grant for books placed at his disposal by the Lord Bishop enabled him to commence a Sunday School and Lending Library, which has been fully appreciated, and he trusts the Society will consider this an object worthy their further consideration.

By the Curate at Couplage nothing has yet been collected.

St. MARY'S.—Rev. W. Jeffrey has paid to the Treasurer Contributions, 20 1 s; 1st Collection, £1 2; 2d do. £1 2 3; Total, £11 6 8 for General Purposes, and also the additional sum of £10, being the first instalment paid for a lot of land in the Parish of Stanley, given to the Society by the Rev. James Neale to be appropriated to the Widows and Orphans' Fund.

DEACON OF St. PAUL'S, PORTLAND.—Rev. G. Lee makes the following return from this Mission. Widows and Orphans' Fund, 21; Subscriptions, 206 5; 1st Collection, £11 7 8; 2d do. 26 6 8; Total, £86 16 8.

SUNNY.—The Rev. T. McGhee encloses a return as follows: Churches and Chapels, £1 7 8; Aged Clergy Fund, £1 8; Widows and Orphans', £1 10; General Purposes, £2 2; 1st Collection, £1 15 8; 2d do. 23 7 8; Total, £12 5. He writes that the state of the travelling and other causes prevented his sending the amount at an earlier date, and that the requirements for Church purposes at home have hindered his parishioners at Southbourn from contributing to the Society this year.

WYRING.—Rev. C. Milner has remitted the sum of £17 6 4 as the Contributions from this Mission, and requests a grant of books.

St. GEORGE AND PARISHMAN.—Rev. J. McGivern has enclosed the following resolutions passed at a meeting of this Committee, held on the 9th January last.

1. That first of all, we thank and praise the Author and Giver of all good for his abundant blessing vouchsafed upon the past labours of this Society. That while we pledge ourselves to the continued support of a cause which has for its object the glory of God, and the extension of the Redeemer's kingdom in this land, we cannot but regret that in consequence of the scarcity of money and the high price of provisions now prevailing, the contributions in Saint George are somewhat less in amount than those of the past year.

2. That our best thanks are due, and are hereby tendered to the Society for the last year's grant of books in this Mission, and that from the advantage derived to the members of the Church by the circulation and perusal of the books, it be an instruction from this branch to the General Committee that grants of the same amount be requested for each of the Parishes in this Mission for the present year.

In a letter accompanying the foregoing resolutions, Mr. McGivern remarks, "I have little to add more than to assure you that the usual good feeling and interest are manifested by the members and friends of the Church here in behalf of the Society. I shall and might truly and safely say, that every year tends to strengthen the conviction, that to support this good cause is no longer a question of doubt, but a duty which they must and ought to discharge. I thank God for this good purpose, and pray that they may continue "steadfast, immovable, always abounding in the work of the Lord." The small deficiency in the amount from Saint George, is nearly made up by the increase from Penfield.

Contributions, including the Collections in the Church, are in all £28 2 4.

Bromfield.—Rev. J. Neale has forwarded an increased amount of Contributions, viz: £33; 1st Collection, £1 10; 2d do, £2 10; Total, £37, for General Purposes.

Minster.—Rev. W. E. Scovil writes that the amount of Contributions from this Parish is again a little in advance of that of former years, being in all £94, of which £1 10 is allotted to Missionary purposes.

The Meeting, he writes, at the election of our Lay Delegates, took occasion to express their sympathy for the sufferings and mournful bereavements among our fellow subjects, arising from the sanguinary war in which Great Britain has been forced to take part for the preservation of the liberties of Europe; and proposed the unanimity which this part of the Empire has hitherto enjoyed from these calamities, as an incentive to exert ourselves, in connexion with our Church Society, in diffusing abroad the blessings of the Gospel of Peace.

MARBY AND HOPWELL.—Rev. R. D. Palmer in enclosing the returns from this Mission, which are in all £13 2 6, writes that he has much gratification in stating that from Hopwell they exceed those of any previous year, and that he has every reason to believe that there is a growing interest in the prosperity of the Church. He hopes to obtain an additional grant of books for distribution at the Albert Mine, where he has for some time past held Service every other Sunday.

The following resolution was passed at a meeting of the Local Committee held at Hopwell the 25th December, 1854.

Resolved, That the thanks of this meeting be tendered to the Parent Society for the grants made to this Mission during the last year towards the support of the Missionary and in aid of erecting the Church, and for books; and this meeting requests that the Mission may still be remembered in the distribution of the funds of the Society.

WOODSTOCK.—Rev. S. D. Lee sweet writes, that the Annual Meeting of this Local Committee was more numerously attended than usual, and the interest in the Society is evidently on the increase. The following resolutions were passed.

1. That this Committee beg to offer their sincere thanks for the grant of books to the Lending Librarians at Woodstock, Richmond and Jackcountown, and hope they will again be remembered at the approaching meeting of the Society.

2. That this Committee would return their sincere thanks for the grant of £20 towards making the Globe House habitable, and they are happy to state that the work has been completed, and the building is now in a far more comfortable state for the Rector and his family than it was before, though the cost of completing the same has far exceeded the amount originally contemplated.

3. That whereas the increasing usefulness of the Diocesan Church Society is a manifest proof of God's blessing resting upon it, therefore resolved, that it be our duty as Christians and Churchmen to promote to the utmost of our ability the several objects embraced by the Society. The Contributions are, in all, £22 10 9½.

DOVERHAM.—Rev. A. V. Stuart reports Contributions, £18 2 6, and Collections, £2 10, which he regrets are a little less than those of last year. The same good feeling exists towards the Society, and a conviction of its usefulness and of the blessing which evidently attends it. His time, he writes, has been mainly occupied of late in consequence of the prevalence of an epidemic in the upper part of his Mission, which has proved fatal to a large number of his people, more especially of the young.

The attendance at his Churches continues as good as usual, and is very large in the neighbourhood of the new Church, where he has Divine Service once a fortnight in a School house.

He thinks the books granted by the Society are of especial service. They are read with great pleasure by many. He hopes for further aid in this respect.

At the meeting of the Local Committee on the 27th December, an application was made for a further grant of £20 to aid in finishing the Church in the

lower part of Douglas. It is now enclosed, but there is a debt of £70 upon it, and £100 more will be required to complete the work.

At the request of the Church Wardens and the Committee a further application is made for the annual sum of £20 towards the stipend of the Missionary whose services are most laborious.

ST. STEPHEN.—Rev. Mr. Rogers, Thomas, L. L. D. writes that this Local Committee held its Annual Meeting on Saint Stephen's Day; a unanimous sentiment prevailed in the Committee that the Diocesan Church Society was fully entitled to the cordial support of all Churchmen. They regret that the heavy expense incurred by the repairs of their Church necessarily diminish the amount of their subscriptions. The zeal and efficient liberality of this Local Committee, N. Marks, Esq., has done all in his power to gain contributions, although he had just before undergone much labour in getting the Church repaired, and in the purchase of our excellent organ, at an expense amounting to £200.

The Rev. Delegates, W. Porter and S. Thomas, Esquires, are interested to see for all the proposed addition to the Parish Church, in which additional accommodation is usually sought for, and especially to urge upon the Lord Bishop and the Society the necessity for an addition to the duties of this Mission, which age and multiplied afflictions have rendered it impossible for the Rector fully to discharge. Contributions, £19 3 6.

NORWICH.—Rev. E. A. Warneford Esq., writes that the Contributions from this Parish exceed those of the past year, being in all £22 0 6. At the Meeting on the 24th December, the Local Committee thanked the Society for its liberal grants to the Parsonage, and for the books, and trust they will receive a further grant for the same object again this year.

HAMPTON.—Rev. Wm. Walker reports contributions to the Widows and Orphans Fund, £8; General Purposes, £24 0 5; Total, £32 0 5.

MANCHESTER AND BURTON.—Rev. A. V. G. Wiggins, D.D., reports from Manchester, £12 12 10, and from Burton, £12 10 8; a large sum would probably have been collected had not the loss of a horse prevented the work. The Local Committee at Manchester passed at their meeting a vote of thanks to the Society for the grant made last year towards the erection of their Church, of which owing to the high price of materials and labour, they did not immediately avail themselves. "We have now," Dr. Wiggins writes, "commenced in good earnest; contracted for the erection of the frame, and hope to have the building enclosed next summer. I trust the Society will give us another grant of £35, which with our own subscriptions, amounting to nearly £350, will enable the Committee to complete the work." Of the Contributions from Burton, £3 5 3 are limited to the Widows and Orphans Fund.

WARRINGTON.—Rev. D. J. Wetmore has remitted the sum of £10 for the General Purposes of the Society.

ST. DAVID.—Rev. J. S. Thomson writes that his people have been so called on to contribute towards the erection of their new Church, that but £6 15 has been collected for the Society. The congregation, in addition to this, are obliged to pay rent for a hall for public worship. They rejoice, however, in the prosperity of the Society, and when relieved from their present burden, will contribute to its objects according to their ability. It is requested that the previous grants to the Church of £20 may be renewed, as the past season was in many respects unfavourable for beginning the work. A beautiful site has been purchased, and the building, it is hoped, will be proceeded with in the Spring.

CAMBRIDGE.—S. J. Soboy, Esq., reports £15 as the amount remitted by him to the Treasurer from this Parish.

QUENSBURY.—Rev. H. W. Tippet reports Subscriptions from this Mission £6 11 9.

From the foregoing returns, we learn that the following sums have been contributed to the different objects of the

...if a larger amount has not been contributed, good reason
 ...in many instances be assigned. Local claims
 ...be considered, while the general depression with
 ...and the scarcity of money, have doubt-

 it must be admitted, that more should have been done, if the
 matter had been duly considered aright. It is not difficult to
 leave that for objects higher and holier than mere selfish
 aggrandizement, the goods of this life were afforded to some
 in such abundance. Surely the end of the Bountiful Giver is
 not attained by one excelling another in habits of luxury or
 in the ability to commit excess; nor, when by the aid of science
 and at such expenditure vast improvements are brought
 about, and the means of communication with the different
 portions of the earth made almost miraculous. "The silver
 and the gold are mine, saith the Lord of Hosts." The Mis-
 sionary went forth to proclaim with faith and zeal the message
 of salvation, though scarcely noticed by the busy world around
 him, is yet engaged in a work, the fruits of which will last
 long after the greatest earthly projects have passed into for-
 getfulness. But "the kingdom of God cometh not with
 observation." Amid the mighty changes and stirring events
 now going on in the world, this is going forward also. Quietly,
 but steadily, the spiritual temple is being erected. Like the
 house of God at Jerusalem, of which the work was so previously
 announced, that no sound of axe or hammer gave notice of its
 progress. So in the din and confusion of earthly things, de-
 spite the indifference and opposition of the world, or the
 internal divisions more hazardous to its course, the spiritual
 house, resting on the only true foundation, "the Apostles and
 Prophets, Jesus Christ himself the chief corner stone," "grow-
 eth an holy temple to the Lord." With regard to this, we
 are met together now to do our appointed portion of the
 work. When we call to mind what has passed since we last

 Special contribution (see page 47) of £ 0 0 0

Balance at year end for General purposes, 31st Dec 1883, £ 7 0 0

The Auditors find it incumbent upon them to draw the attention of the General Committee to the necessity of providing for the ordinary expenses which payments may be made by the Committee, and to the necessity of the Committee. This necessity will be apparent from the accounts of the past year, in which the Treasurer has paid out of a grant to one Missionary for the services of members the sum of £ 10 0 0, and the opinion of the Auditors cannot be sustained, under terms of the grant. The Auditors are also of opinion that as the grant for Missionary purposes during the past year, were made to the Lord Bishop for Missions, and not as heretofore to the Clergymen, no payments should have been made by the Treasurer without the written authority of His Lordship.

The Auditors again urge upon the Society their recommendation to the Executive Committee on the 21st January, 1884, with regard to payment to the credit of the Society, and the necessity of having a correct system of accounts introduced; and as the Society is now incorporated, it is necessary that it have a correct system of accounts introduced.

REPORT OF THE LOAN COMMITTEE.

The undersigned members of the Loan Committee beg leave to report to the Executive Committee of the Diocesan Church Society, that having been informed by the Treasurer of the Society that the same hereinafter mentioned could be disposed of on loan, they advertised the same, and on the second day of February last they loaned the sum of One Hundred and Thirty Pounds to WILLIAM DAVENPORT of the Parish of Douglas, and a member of the Society as he stated; and on the sixth of May following they effected a loan of Seventy-Five Pounds to Mr. William Plant of Stanley; the repayment of which sums with interest were amply secured by bonds and mortgages on landed property;

which mortgages contained the usual clause of sale on non-payment of the principal money, with interest, the latter made payable half yearly.

All the Loans of the Society's funds effected by your Committee, contain the same conditions and stipulations, and I will report on a subsequent occasion the amount of the interest on these loans, and the amount of the principal and interest repaid, (as they are interest), and likewise the health of the Loan Committee.

They consider all the securities taken for such loans safe, and the repayment thereof perfectly secure.

The Chairman of the Society has, subsequently to the period of effecting the above mentioned loans, asked, what there were no other means in his hands to be disposed of in that way.

APPENDIX.

RESOLUTIONS OF THE GENERAL COMMITTEE.

That the title to all Churches towards the erection or completion of which any grant is made from the funds of this Society, be vested either in the Church Corporation of the Parish in which such Church is situated, or in some party or parties in trust to convey the site, as soon as practicable, of such Church to the Church Corporation as soon as the same may be legally constituted. (16th Report, page 24.)

That no grants from this Committee, subject to conditions, be paid until the same be sanctioned by the Executive Committee, who will previously ascertain that the conditions of the grants have been fulfilled. (17th Report, page 11.)

That no application for grants shall be considered, which are not made on the first day of the meeting of the General Committee, as previously. (18th Report, page 24.)

That such Missionary receiving a salary from this Society, be required to make an annual return to the Secretary, to be handed in by him at the first meeting of the General Committee as follows, viz.:

- 1. The number of Churches under his charge.
- 2. The number of weekly or other stated services held in such Churches or Chapels.
- 3. The number of Communicants.
- 4. The average number of attendants.
- 5. The amount contributed in such Parish towards the support of such Missionary. (18th Report, page 24.)

☞ The Bishop requests the Clergy to be so good as to preach the Sermons for the Church Society in June and October, and if possible, not to delay the second Sermon to the latter part of the month, as the weather is often unfavourable to a collection.
